Dear Sir/Madam,

Master Circular on Call/Notice Money Market Operations

The Reserve Bank of India has, from time to time, issued a number of guidelines/instructions/directives to banks and the Primary Dealers in regard to call/notice money market. To enable eligible institutions to have current instructions at one place, a Master Circular incorporating all the existing guidelines/instructions/directives on the subject has been prepared for reference of the market participants and others concerned. It may be noted that this Master Circular consolidates and updates all the instructions/guidelines contained in the circulars listed in the Appendix in so far as they relate to operations of eligible institutions in the call/notice money markets. This Master Circular has also been placed on the RBI website at www.mastercirculars.rbi.org.in.

Yours faithfully,

(K K Vohra)

1. Introduction

The money market is a market for short-term financial assets that are close substitutes of money. The most important feature of a money market instrument is that it is liquid and can be turned into money quickly at low cost and provides an avenue for equilibrating the short-term surplus funds of lenders and the requirements of borrowers. The call/notice money market forms an important segment of the Indian Money Market. Under call money market, funds are transacted on an overnight basis and under notice money market, funds are transacted for a period between 2 days and 14 days.

2. Participants

Participants in call/notice money market currently include scheduled commercial banks (excluding RRBs), co-operative banks (other than Land Development Banks) and Primary Dealers (PDs), both as borrowers and lenders (**Annex I**).

3. Prudential Limits

3.1 The prudential limits in respect of both outstanding borrowing and lending transactions in call/notice money market for scheduled commercial banks, co-operative banks and PDs are as follows:-

Table: Prudential Limits for Transactions in Call/Notice Money Market

Sr. No.	Participant	Borrowing	Lending
1	Scheduled Commercial Banks	On a fortnightly average basis, borrowing outstanding should not exceed 100 per cent of capital funds (i.e., sum of Tier I and Tier II capital) of latest audited balance sheet. However, banks are allowed to borrow a maximum of 125 per cent of their capital funds on any day, during a fortnight.	On a fortnightly average basis, lending outstanding should not exceed 25 per cent of their capital funds. However, banks are allowed to lend a maximum of 50 per cent of their capital funds on any day, during a fortnight.
2	Co-operative Banks	Outstanding borrowings of State Co-operative Banks/District Central Co-operative Banks/ Urban Co-op. Banks in call/notice money market, on a daily basis should not exceed 2.0 per cent of their aggregate deposits as at end March of the previous financial year.	No Limit.
3	PDs	PDs are allowed to borrow, on average in a reporting fortnight, up to 225 per cent of their net owned funds (NOF) as at end-March of the previous financial year.	PDs are allowed to lend in call/notice money market, on average in a reporting fortnight, up to 25 per cent of their NOF.

3.2 Non-bank institutions (other than PDs) are not permitted in the call/notice money market.

4. Interest Rate

4.1 Eligible participants are free to decide on interest rates in call/notice money market.

4.2 Calculation of interest payable would be based on the Handbook of Market Practices brought out by the Fixed Income Money Market and Derivatives Association of India (FIMMDA).

5. Dealing Session

Deals in the call/notice money market can be done upto 5.00 pm on weekdays and 2.30 pm on Saturdays or as specified by RBI from time to time.

6. Documentation

Eligible participants may adopt the documentation suggested by FIMMDA from time to time.

7. Reporting Requirement

7.1 All dealings in call/notice money on the Negotiated Dealing System-Call, i.e. NDS-Call (a screen-based, negotiated, quote-driven system), do not require separate reporting. It is mandatory for all members of the NDS to report their call/notice money market deals, other than those done on NDS-Call, on NDS. Deals should be reported within 15 minutes on NDS, irrespective of the size of the deal or whether the counterparty is a member of the NDS or not. In case there is repeated non-reporting of deals by an NDS member, such non-reported deals may be treated as invalid.

7.2 The reporting time on NDS is up to 5.00 pm on weekdays and 2.30 pm on Saturdays or as decided by RBI from time to time.

7.3 With the stabilisation of call/notice/term money transactions reporting, the practice of reporting call/notice/term money transactions by fax to RBI has been discontinued with effect from December 11, 2004. However, deals between non-NDS members will continue to be reported to the Financial Markets Department (FMD) of the RBI, by fax, as hitherto (**Annex II**).

7.4 In case the situation so warrants, the Reserve Bank may call for information in respect of money market transactions of eligible participants by fax.
